- 2.1     The proposed subdivision is located within the South Acton Village (SAV) zoning district and Zone 4 of the Groundwater Protection District. A significant portion of the Site is also within the Flood Plain District.
- 2.2     The Plan shows the division of approximately 6.5 acres into four lots, generally for mixed uses.
- 2.3     In accordance with the zoning bylaw (hereinafter the Bylaw), a variety of mixed uses are allowed in the SAV district and the applicable overlay districts.
- 2.4     The proposed lots comply with the area and frontage requirements of the Bylaw, including all overlay district requirements.
- 2.5     The proposed lots are in the sewer district. Privilege fees apply for increased wastewater flows per section D10 of the Acton General Bylaws.

- 2.6 The Plan shows a 235 foot long subdivision street, named "Lazaro Circle" that intersects with River Street in two locations approximately 190 feet apart. River Street is a local street; the Rules set the minimum intersection separation on local streets at 150 feet.
- 2.7 The Plan documents comply in general with the Rules.
- 2.8 The Board has received comments from various Town departments, which are listed as Exhibit 1.4 above. The Board has considered these comments in its deliberations and made them available to the Applicant.
